Model United Nations in Rome

Students enrolled in the international relations program participated in the annual Model United Nations conference which this year took place in Rome. The program was student oriented and consisted of simulated exercises and seminars. The Model United Nations provided the students with a better understanding of multilateral organizations and developed their

capacity to negotiate in an international environment.

Scholarships

Each year the International University in Geneva offers a limited number of scholarships. Scholarships are awarded each year to both undergraduate and graduate applicants. Students having achieved high academic performance can apply for a scholarship by writing a motivation letter which should be included with the application form. The candidacy for scholarship must be submitted before the regular application deadlines.
