# Career Days

May 24<sup>th</sup> & 25<sup>th</sup>

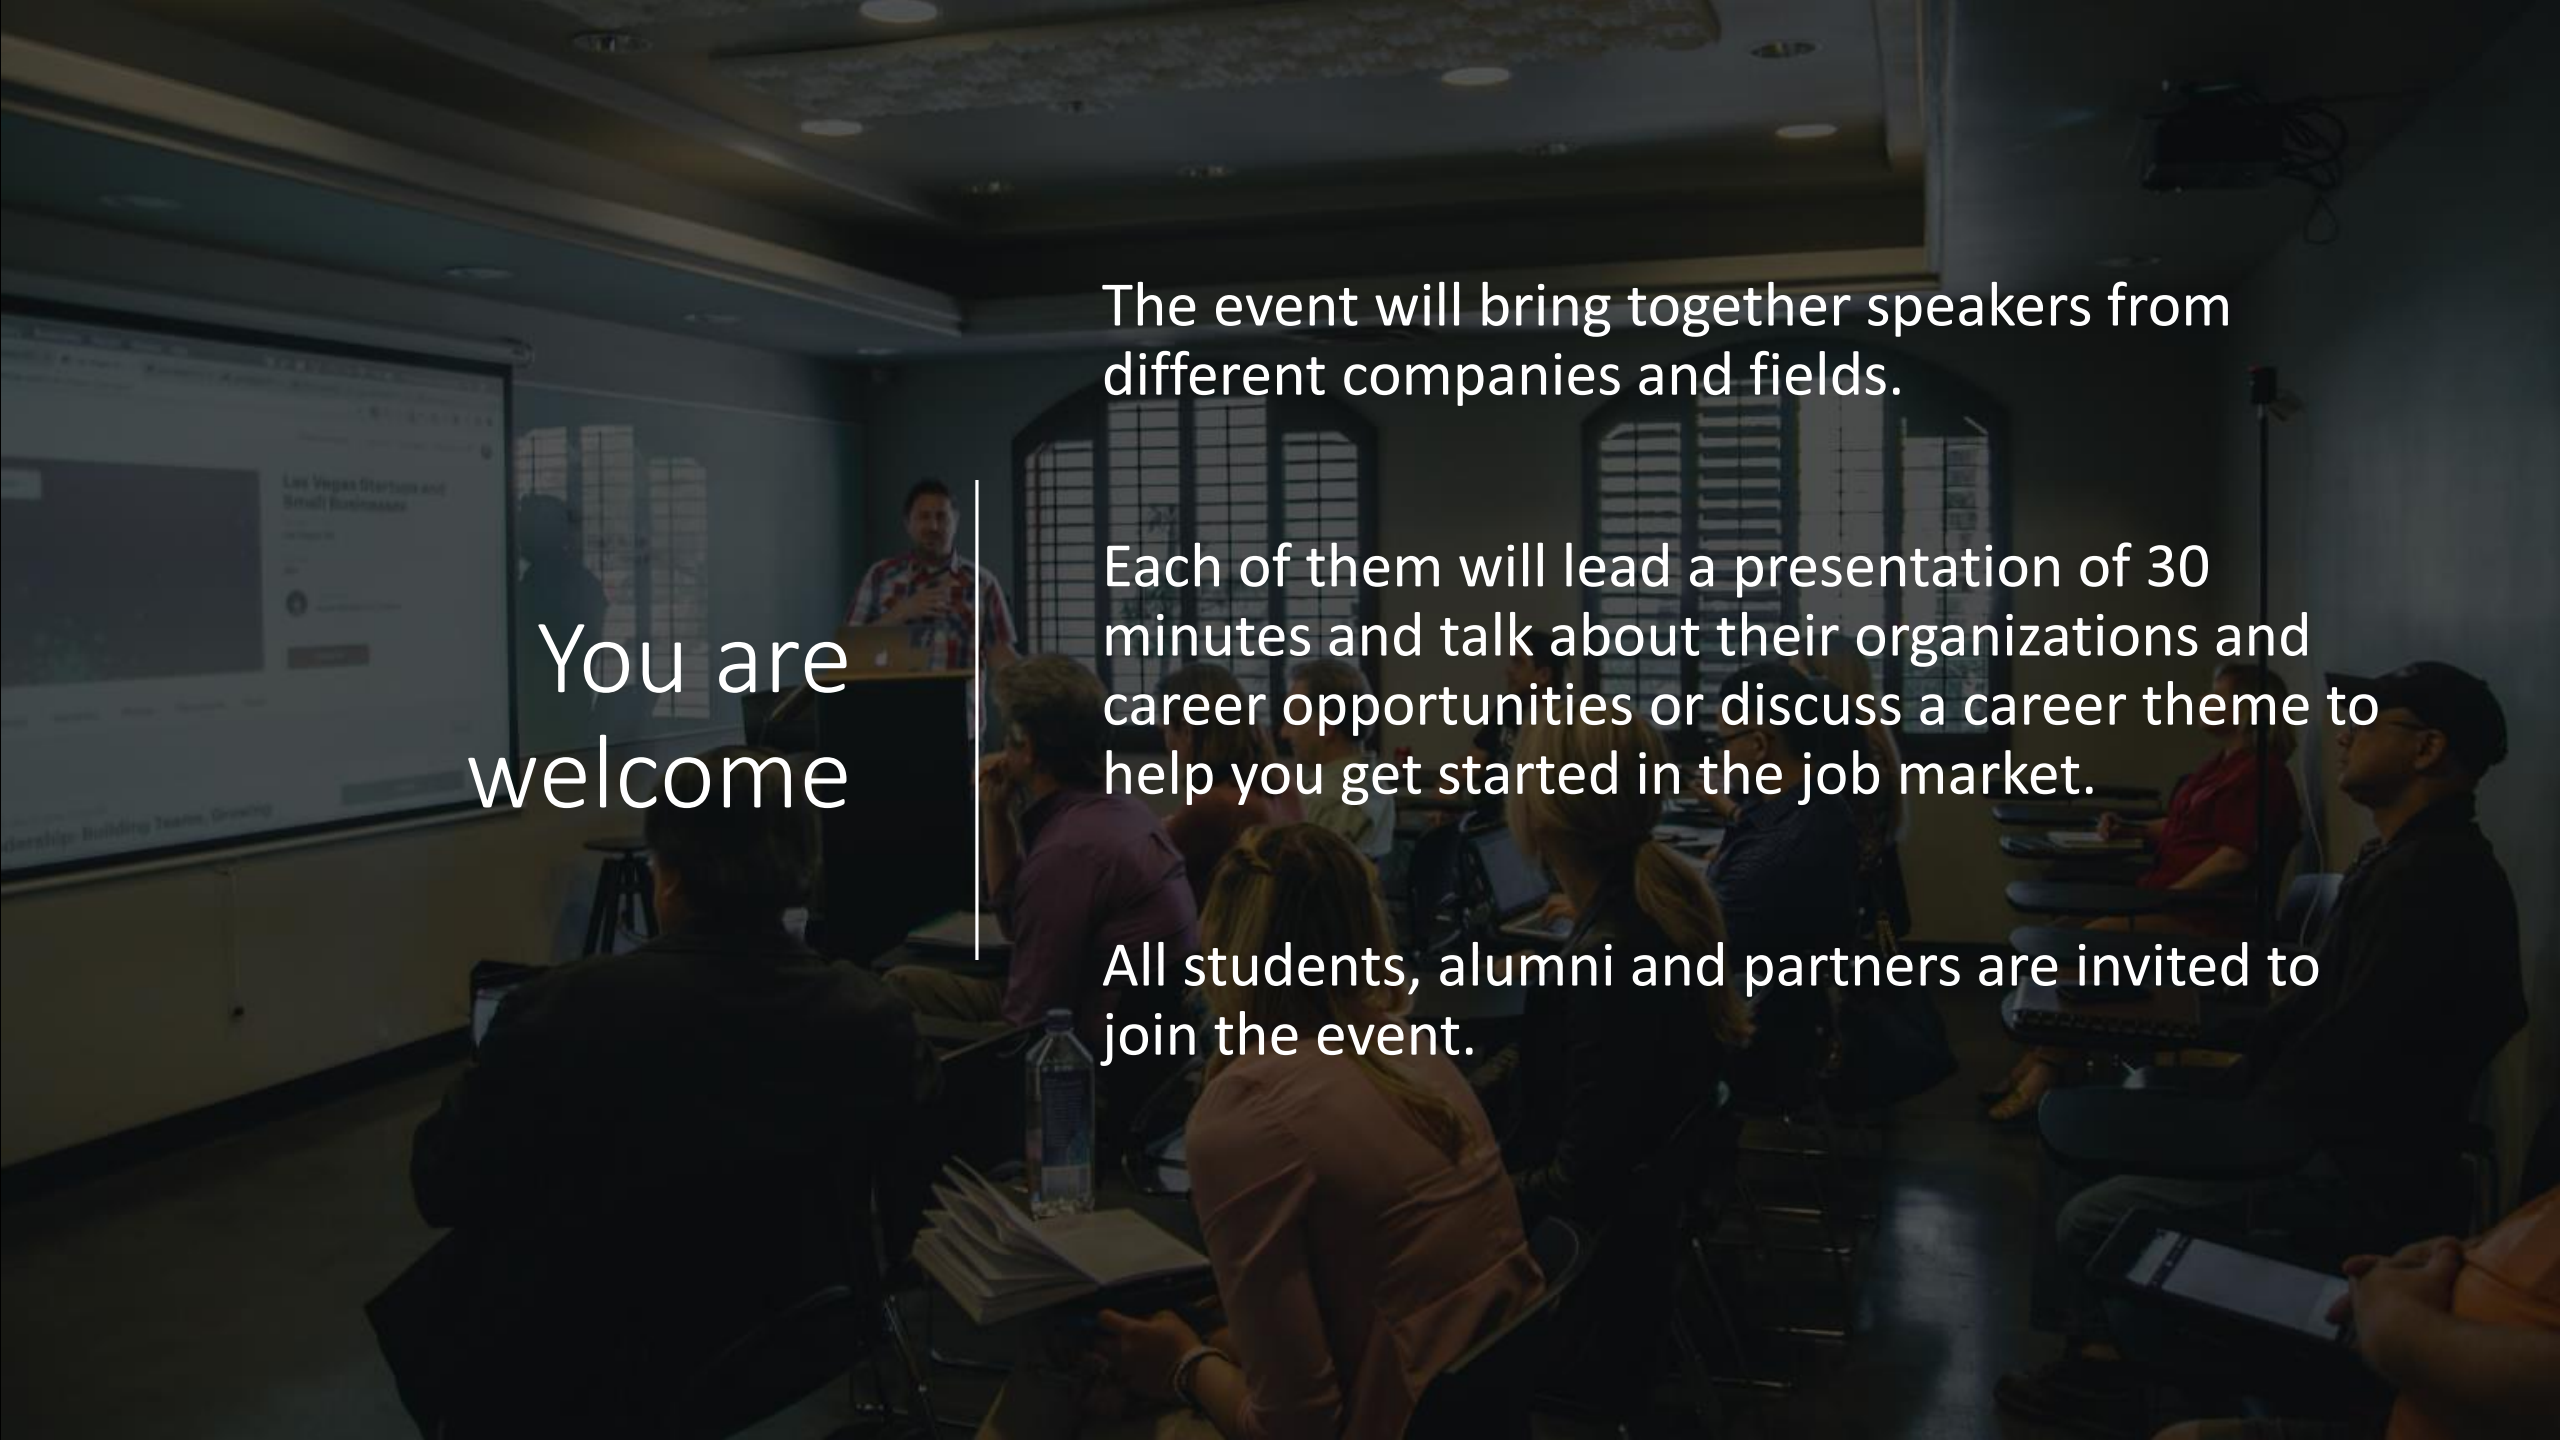

# Our event

In order to give our students prospects, guide them in their choices and support them in their professional projects, IUG will organize career days **on Tuesday May 24<sup>th</sup> & Wednesday 25<sup>th</sup>**.

This year, our event will be conducted on a hybrid mode. This means that participants including speakers will be able to join online or be on campus.

You are  
welcome

The event will bring together speakers from different companies and fields.

Each of them will lead a presentation of 30 minutes and talk about their organizations and career opportunities or discuss a career theme to help you get started in the job market.

All students, alumni and partners are invited to join the event.

# What to expect

The main goal is to help students define their professional projects and guide them in their career choices.

All speakers will remain available after the event if students need further information or simply get in touch.

Please note that the event will not be recorded.

Our partners come from:

ICRC

**IMPACT** Shaping practices  
Influencing policies  
Impacting lives
